**‘Open-Admission’ Animal Shelter is Busting at the Seams:
FREE Adoptions Available**

Waco, Texas (November 10, 2016) – The Animal Shelter at 2032 Circle Rd. recently reached “no-kill” STATUS; however, this does NOT mean that it is a no-kill shelter. Our regional shelter is an open admission shelter and we are FULL. Over 80 dogs have been received in the past two days and they continue to come in.

The Humane Society of Central Texas and the City of Waco are sponsoring FREE adoptions (up to 44 animals) beginning today!

The Humane Society of Central Texas and the Animal Shelter urge pet lovers to please consider adoption and/or fostering a pet. Continuing to maintain a status of no-kill (90% live-exit rate) takes a community-wide effort.

The City of Waco offers free options for spay/neuter and microchipping your pets with information available at spaystreetwaco.com or by calling (254) 752-SPAY (7729). This is the best way to keep the animal population down.
