### **CAMERON PARK ZOO'S NEW BABY ORANGUTAN GOES OUTDOORS**

**Waco, Texas** – Mei, Cameron Park Zoo's female orangutan, and her new baby, Bartari, joined dad KJ in the outdoor exhibit this afternoon. Mei and Batari will be going out on exhibit to prepare for the Zoo's private Sip and See event June 26. Mei, Batari, and KJ will be alternating exhibit days with Mukah. Mei and Batari's outings will of course depend on the weather and whether Mei wants to go out or not. On the days they are not out Mei will have access to the bedroom with the window.

Batari was born on May 17 and is the first baby for Mei, who celebrated her 16<sup>th</sup> birthday on May 1, and Kerajaan, or KJ, who is 25.
