Boil Water Notice and No Outdoor Watering for Old Lorena Rd. at Spring Valley Rd. Area Continues

The boil water notice, previously issued on August 6 by the City of Waco water system (PWS#1550008), for customers residing along (including all adjoining roads): Chapel Rd., from Belder Rd. east to Farmiller Rd., along Spring Valley Rd., from Old Lorena Rd. east to the city limits of Hewitt and along Old Lorena Rd. from Spring Valley Rd. north to Haley Hill Rd., continues.

The mandatory no outdoor water use restriction also continues for this area.

City officials had previously hoped to lift the boil water notice and outdoor watering restrictions this weekend, however, water pressures in the area continue to fluctuate and at times drop below acceptable levels.

The City of Waco appreciates the continued cooperation and patience of customers in the area as crews continue to work to solve the pressure issues.

If you have questions concerning this matter, please call 299-CITY (2489).
