Boil Water Notice LIFTED for FM 185 Area

Effective immediately, the boil water notice previously issued for customers residing along FM 185 from FM 1637 to the FM 185 bridge over Lake Waco, is no longer in effect.

The water meets all state and federal drinking water criteria and all residents may discontinue boiling water.

The boil water notice went into effect on Tuesday, September 13 as a precaution after low chlorine residuals were detected in the area.

If you have questions concerning this matter, please call 299-CITY (299-2489).
