**City of Waco & TxDOT to Host Public Meeting
at Bledsoe-Miller Center March 5th**

Waco, Texas (March 3, 2015) – The Texas Department of Transportation will hold a public meeting on Thursday, March 5 from 5 to 7 p.m. at the Bledsoe-Miller Community Center. This will be an open “come and go” presentation that you can attend at your convenience.

The purpose of the meeting is to inform the public and area residents about planned improvements to the I-35 Frontage roads in East Waco between Business 77 and Martin Luther King, Jr. Blvd., and how this may affect traffic patterns.

The public meeting will also provide an opportunity for citizens to ask questions related to this project.
