WCCC-TV Gives Viewers the Feeling of Being at the Cultural Arts Fest LIVE

This Saturday, September 26th at 12:30pm the Waco City Cable Channel (WCCC-TV) will air another Special Broadcast of “YOU ARE THERE – LIVE” where we will take viewers to downtown Waco and walk all through the Cultural Arts Fest just as if they were there in person.

Our HD camera and microphones will be the eyes and ears of viewers as we walk around the Cultural Arts Fest just like YOU ARE THERE- LIVE. There won't be an on camera host or guide, just the live events as they are happening and viewers will see and hear them live through our camera as we walk around the event.

Future YOU ARE THERE-LIVE events include the Heart of Texas Fair and Rodeo on Thursday, October 8th at 6:30pm and the Downtown Game Day experience including the bus ride and walk around all the tailgating happenings at McLane Stadium for the Baylor – West Virginia game on October 17th. Just another way the Waco City Cable Channel involves Waco citizens in what's happening in their City.

WCCC-TV can be viewed on Time Warner and Grande cable channel 10 and in HD on Grande 810. For those who don't have cable, the same programming is streamed live at www.wccc.tv. A free downloadable app is also available from the Apple store.
