October 14th – Engineering Day in Waco

The City of Waco is sponsoring the 6th annual “Engineering Day” event on Tuesday, October 14th from 8am until 4pm in the Waco Convention Center. The free event is open to area students to introduce them to the role Mechanical, Electrical and Civil Engineers play in today’s world and to see if an engineering field is something they might be interested in pursuing for their future. Over 1,500 confirmed students will be attending. For more information contact Octavio Garza, City Engineer at 750-5440.
