Traffic Rerouted Due to Water Main Break

Waco, Texas (May 13, 2015) – Due to a major water main break on North 18th St. near Blair St. and Gorman Ave., traffic is being detoured onto Colonial Ave. to 19th St. and 19th St. to Gorman. Blair is blocked. (See route photo attached to this release.)

The special part ordered yesterday has arrived and depending on weather/rain problems, the repairs should be completed this evening. After the repair is complete, traffic will still be limited until the street can be repaired and resurfaced, which will require dry weather. Waco drivers, we appreciate your patience as we resolve this issue as quickly as possible.

To receive instant updates on traffic and other street-related information, visit and “like” us on [Facebook](#) (City of Waco - Public Information) and [Twitter](#) (City of Waco).
