Traffic Rerouted in Chapel Road Area Starting Monday

Waco, Texas (January 28, 2016) – Beginning Monday, February 1, 2016, Chapel Road east of the Ritchie Road intersection to Limestone Trail will be closed, affecting traffic headed both east and west on Chapel Road. Residents of Fossil Ridge will have access to their houses off Chapel Road traveling from Hewitt Drive. The detours, listed below, are a temporary part of the Panther Way to US-84 project:

1. No thru traffic on Chapel (west) past Limestone Trail. Use Hewitt Drive (north) to Old McGregor Road (east). Detour on Ritchie Road (south) to Chapel (west) toward Old Lorena Road.
 2. No thru traffic on Chapel (east) to Hewitt Drive. Use Ritchie (north) to detour on Old McGregor (east) toward Hewitt Drive.
 3. Or, use Ritchie (south) to detour on Panther Way toward Hewitt Drive.
- No turn onto Chapel Road (east) at intersection with Ritchie Road.
 Panther Way is alternative route from Ritchie Road.

We appreciate your patience, Waco! The work is scheduled to take 4 to 6 weeks and we will make every effort to get to completion as soon as possible as we know it's a very busy area.

If you have additional concerns please let us know by message or contact (254) 750-6627.
