**Waco, Texas** – Rain, snow and sleet won't stop jolly ol' St. Nicholas from spreading cheer and good tidings during Waco Transit System's "Santa at the Station" event on Friday, December 18 from 1pm to 4pm. For the very first time in four years, the event has moved inside to a new location. Bring the whole family for FREE photos with Santa, and be one of the first to enjoy the experience from inside the comforts of the Waco Transit System administration building, located behind the main bus terminal at 301 S. 8<sup>th</sup> Street. Free face painting, along with free cookies and drinks, will also be included in the day's festivities. Photos will be available for download on the Waco Transit System Facebook page at [www.facebook.com/WacoTransit](http://www.facebook.com/WacoTransit) the week following the event. Event attendees should "like" the page in order to view, download and print their photos.
