Waco's Veteran's Day Parade to be Broadcast Live World Wide

This year's Veterans Day Parade through downtown Waco will be bigger and better than ever with more than 159 units including floats, school bands, drill teams and of course our Veterans. The parade will begin at 13th and Austin at 11a.m. on Veteran's Day, November 11th and proceed down Austin Ave. to City Hall. Waco area citizens are encouraged to line Austin Avenue to show support and appreciation for those men and women who have served our country.

For those who can't make it to downtown Waco, the Waco City Cable Channel will bring live coverage of the parade in an all new way. This year, coverage will move up Austin Ave. near the ALICO building where two commentators will describe the parade and its units while four HD cameras provide images to our viewers. The parade can be viewed on WCCC-TV (on channel 10 on both Time Warner and Grande cable as well as in HD on Grande channel 810) and from anywhere in the world via our website at www.waco-texas.com.

The City of Waco encourages citizens to notify any military family members (especially overseas) to watch Waco's parade via the internet: www.waco-texas.com.

Live coverage begins at 11:00 a.m.
