Food Handler Class

The Food Establishment Code requires that all personnel with duties involving food and food equipment (including alcohol and ice) must attend the Food Handler Class and possess a valid certificate. Employers please check your records and have the involved personnel registered in the class. Failure of employee attendance could result in a citation to both the employer and employee.

The Food Handler Classes are held weekly on:

Tuesday - 10:00 AM - 12:00 PM

Thursday - 3:00 - 5:00 PM

The Spanish Food Handler Class is held monthly on:

Second Tuesday - 2:30-4:30 PM

On-Site classes available with 30 or more employees.

The cost of the class is \$20.00 per person.

The class certificate is valid for two years anywhere in Texas.

Please call for reservations at 750-5464. Class information is available at 750-5445.

To attend the class, plan to arrive at least 15 minutes prior to class time in order to pay the fee at the Cashier's booth at the Health District building, 225 West Waco Drive. Then come to classroom located in the Community Services/Municipal Court building across the parking lot from the Health District building. The classroom is on the second floor, to the left of the elevator and near the stairs. Class attendees may wait in the lobby outside the classroom until time for the class to begin.

It is important that class participants be on time. Tardiness is not acceptable, since time is limited to share valuable information. Once class has started, late arrivals will be required to re-schedule in the Environmental Health office, Room 205, which is on the same floor as the classroom.

Children are not allowed in the classroom/lobby, please make childcare arrangements.
