

Using Garbage, Recycling, and Yard Waste Carts

For timely and safe service, please observe these guidelines:

- All trash must be bagged before putting it the cart to avoid windblown trash.
- Place all materials inside the cart so the lid can fully close.
- Place all carts with arrows on the lid facing the street, and wheels at the edge of street or curb.
- Personal trash cans **should not** be placed at the curb for collection.
- Bring carts out prior to 7 a.m. on the trash collection day.
- Please return carts to a storage area out of sight from the street before the next morning. Carts should not be left out on the street after pickup.
- **Do not leave carts at the curb on an ongoing basis.**
- If you move, please leave all carts at your old address. Carts containers are the property of the City of Waco.
- A second cart is available for an extra charge of \$4/month

Provided every other week:

- The blue (recycling) and green (yard waste) carts are collected on alternating weeks on the same collection day as the trash.
- Waco residents are provided, at their request, one 95 gallon blue (recycling) and one green (yard waste) carts **at no extra charge.**
