Waco City Academy Closes Registration for the Inaugural 2022 Class

WACO, TEXAS (July 19, 2022) – Due to an abundance of interest and applications already received, the City of Waco has closed registration for the inaugural Waco City Academy. Waco City Academy is a ten-week class that offers an interactive behind-the-scenes look into city government with sessions from each department. Seats were limited to 25 participants and were filled on a first applied, first enrolled basis while ensuring that three seats were reserved for residents from each council district and the remaining ten seats filled regardless of district.

The application opened at 8 a.m. on Tuesday, July 5. The original deadline to apply was 5 p.m., Friday, August 5, understanding that applications would close earlier if seats were filled. The City has received sufficient applications to fill the class, so applications for this Fall 2022 class will no longer be accepted. There will be another class in the Spring of 2023. We encourage those unable to secure a spot in the Fall 2022 class to apply for the next academy.
