TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

**Notice of Receipt of Application and Intent to Obtain Municipal Solid Waste Permit Proposed Permit No. 2400**  
**Application.** The City of Waco, 401 Franklin Avenue, Waco, McLennan County, Texas 76701, has applied to the Texas Commission on Environmental Quality (TCEQ) for a permit to authorize the construction and operation of a new Type I Municipal Solid Waste (MSW) landfill. The facility is proposed to be located at 4730 T K Parkway, Axtell, 76624 in McLennan and Limestone Counties, Texas. The TCEQ received this application on August 8, 2018. The permit application is available for viewing and copying at the Waco-McLennan County Central Library, 1717 Austin Avenue, Waco, McLennan County, Texas 76701 and may be viewed online at: <https://www.waco-texas.com/landfill-application-process.asp>. The following link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice: <https://www.tceq.texas.gov/assets/public/hb610/index.html?lat=31.701388&lng=-96.931111&zoom=13&type=r>. For exact location, refer to application.  
**Additional Notice.** TCEQ's Executive Director has determined the application is administratively complete and will conduct a technical review of the application. After technical review of the application is complete, the Executive Director may prepare a draft permit and will issue a preliminary decision on the application. **Notice of the Application and Preliminary Decision will be published and mailed to those who are on the county-wide mailing list and to those who are on the mailing list for this application. That notice will contain the deadline for submitting public comments.**  
**Public Comment/Public Meeting.** You may submit public comments or request a public meeting on this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ will hold a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.  
**Opportunity for a Contested Case Hearing.** After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting reconsideration of the Executive Director's decision and for requesting a contested case hearing. A person who may be affected by the facility is entitled to request a contested case hearing from the commission. A contested case hearing is a legal proceeding similar to a civil trial in state district court.**  
**To Request a Contested Case Hearing, You Must Include The Following Items in Your Request:** your name, address, phone number; applicant's name and permit number; the location and distance of your property/activities relative to the facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submitted during the comment period, and the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.  
Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn.  
If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law that are relevant and material to the Commission's decision on the application submitted during the comment period.  
**Mailing List.** If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. To be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.  
**Information Available Online.** For details about the status of the application, visit the Commissioners' Integrated Database (CID) at <[www.tceq.texas.gov/goto/cid](http://www.tceq.texas.gov/goto/cid)>. Once you have access to the CID using the above link, enter the permit number for this application, which is provided at the top of this notice.  
**Agency Contacts and Information.** All public comments and requests must be submitted either electronically at <[www14.tceq.texas.gov/epic/eComment/](http://www14.tceq.texas.gov/epic/eComment/)> or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Please be aware that any contact information you provide, including your name, phone number, email address and physical address will become part of the agency's public record. El propósito de una reunión pública es dar la oportunidad de presentar comentarios o hacer preguntas acerca de la solicitud. La Comisión sólo puede conceder una solicitud de una audiencia de caso impugnado sobre los temas que el solicitante haya presentado en sus comentarios oportunos que no fueron retirados posteriormente.  
**Si se concede una audiencia, el tema de la audiencia estará limitado a cuestiones de hecho en disputa o cuestiones mixtas de hecho y de derecho que son pertinentes y materiales a la decisión de la Comisión sobre la solicitud que se hayan presentado durante el periodo de comentarios.**

Texas Commission on Environmental Quality

Notice of Receipt of Application and Intent to Obtain Municipal Solid Waste Permit  
Proposed Permit No. 2400

**Application.** The City of Waco, 401 Franklin Avenue, Waco, McLennan County, Texas 76701, has applied to the Texas Commission on Environmental Quality (TCEQ) for a permit to authorize the construction and operation of a new Type I Municipal Solid Waste (MSW) landfill. The facility is proposed to be located at 4730 T K Parkway, Axtell, 76624 in McLennan and Limestone Counties, Texas. The TCEQ received this application on August 8, 2018. The permit application is available for viewing and copying at the Waco-McLennan County Central Library, 1717 Austin Avenue, Waco, McLennan County, Texas 76701 and may be viewed online at: <https://www.waco-texas.com/landfill-application-process.asp>. The following link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice: <https://www.tceq.texas.gov/assets/public/hb610/index.html?lat=31.701388&lng=-96.931111&zoom=13&type=r>. For exact location, refer to application.

**Additional Notice.** TCEQ's Executive Director has determined the application is administratively complete and will conduct a technical review of the application. After technical review of the application is complete, the Executive Director may prepare a draft permit and will issue a preliminary decision on the application. **Notice of the Application and Preliminary Decision will be published and mailed to those who are on the county-wide mailing list and to those who are on the mailing list for this application. That notice will contain the deadline for submitting public comments.**

**Public Comment/Public Meeting.** You may submit public comments or request a public meeting on this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ will hold a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

**Opportunity for a Contested Case Hearing.** After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting reconsideration of the Executive Director's decision and for requesting a contested case hearing. A person who may be affected by the facility is entitled to request a contested case hearing from the commission. A contested case hearing is a legal proceeding similar to a civil trial in state district court.**

**To Request a Contested Case Hearing, You Must Include The Following Items in Your Request:** your name, address, phone number; applicant's name and permit number; the location and distance of your property/activities relative to the facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submitted during the comment period, and the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn.

**If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law that are relevant and material to the Commission's decision on the application submitted during the comment period.**

**Mailing List.** If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. To be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

**Information Available Online.** For details about the status of the application, visit the Commissioners' Integrated Database (CID) at <[www.tceq.texas.gov/goto/cid](http://www.tceq.texas.gov/goto/cid)>. Box 13087, Austin, Texas 78711-3087. Please be aware that any contact information you provide, including your name, phone number, email address and physical address will become part of the agency's public record. Texas Commission on Environmental Quality

Aviso de Recibo de la Solicitud e Intención de Obtener el Permiso de Residuos Sólidos Municipales  
Permiso Propuesto No. 2400

**Solicitud.** La ciudad de Waco, 401 Franklin Avenue, Waco, Condado de McLennan, Texas 76701, ha solicitado a la Comisión de Calidad Ambiental de Texas (TCEQ, por sus siglas en inglés) por un permiso para autorizar la construcción y operación de un nuevo vertedero de residuos sólidos municipales tipo I (MSW). El sitio está ubicado en 4730 T K Parkway, Axtell, 76624, en los condados de McLennan y Limestone, Texas. La TCEQ recibió esta solicitud el 8 de agosto de 2018. La solicitud de permiso está disponible para leer y copiar en la biblioteca central de Waco-McLennan, 1717 Austin Avenue, Waco, Condado de McLennan, Texas 76701 y puede ser visto en línea en: <https://www.waco-texas.com/landfill-application-process.asp>. El enlace a continuación a un mapa electrónico de la ubicación general del sitio o de la instalación es proporcionado como una cortesía y no es parte de la solicitud o del aviso: <https://www.tceq.texas.gov/assets/public/hb610/index.html?lat=31.701388&lng=-96.931111&zoom=13&type=r>. Para la ubicación exacta, consulte la solicitud.

**Aviso Adicional.** El Director Ejecutivo de la TCEQ ha determinado que la solicitud es administrativamente completa y conducirá una revisión técnica de la solicitud. Después de completar la revisión técnica, el Director Ejecutivo puede preparar un borrador del permiso y emitirá una Decisión Preliminar sobre la solicitud. **El Aviso de la Solicitud y la Decisión Preliminar será publicado y enviado a los que están en la lista de correo de las personas a lo largo del condado que desean recibir los avisos y los que están en la lista de correo que desean recibir avisos de esta solicitud. El aviso dará la fecha límite para someter comentarios públicos.**

**Comentario Público/Reunión Pública.** Usted puede presentar comentarios públicos o pedir una reunión pública sobre esta solicitud. El propósito de una reunión pública es dar la oportunidad de presentar comentarios o hacer preguntas acerca de la solicitud. TCEQ realizará una reunión pública si el Director Ejecutivo determina que existe un interés público suficiente en la solicitud, o si es pedida por un legislador local. Una reunión pública no es una audiencia de caso impugnado.

**Oportunidad de una Audiencia de Caso Impugnado.** Después del plazo para presentar comentarios públicos, el Director Ejecutivo considerará todos los comentarios apropiados y preparará una respuesta a todos los comentarios públicos esenciales, pertinentes, o significativos. **A menos que la solicitud haya sido remitida directamente para una audiencia de caso impugnado, la respuesta a los comentarios y la decisión del Director Ejecutivo será enviada por correo a todos los que hayan presentado comentario público y a las personas que estén en la lista de correo sobre esta solicitud. Si se han recibido comentarios, el aviso también proveerá instrucciones para solicitar una audiencia de caso impugnado o una reconsideración de la decisión del Director Ejecutivo. Una persona que puede ser afectada por la instalación propuesta tiene el derecho a solicitar de la TCEQ una audiencia de caso impugnado. Una audiencia de caso impugnado es un procedimiento legal similar a un juicio civil en un tribunal de distrito del estado.**

**Para Solicitar una Audiencia de Caso Impugnado, Usted Debe Incluir en su Solicitud los Sigüientes Datos:** Su nombre, dirección y número de teléfono; el nombre del solicitante y número del permiso; la ubicación y la distancia de su propiedad/actividades con respecto a la instalación; una descripción específica de cómo sería usted afectado negativamente por la instalación en una manera no común al público en general; una lista de todas las cuestiones de hecho en disputa que usted presente durante el período de comentarios; y la declaración "[Yo/nosotros] solicito/solicitamos una audiencia de caso impugnado." Si presenta la petición para una audiencia de caso impugnado de parte de un grupo o asociación, debe identificar una persona que representa al grupo para recibir correspondencia en el futuro; identificar el nombre y la dirección física de un miembro del grupo que sería afectado adversamente por la planta o la actividad propuesta; proveer la información indicada anteriormente con respecto a la ubicación del miembro afectado y su distancia de la planta o actividad propuesta; explicar cómo y porqué el miembro sería afectado; y explicar cómo los intereses que el grupo desea proteger son pertinentes al propósito del grupo.

Después del cierre de todos los períodos de comentarios y de petición que aplican, el Director Ejecutivo enviará la solicitud y cualquier petición para reconsideración o para una audiencia de caso impugnado a los Comisionados de la TCEQ para su consideración durante una reunión programada de la Comisión. La Comisión sólo puede conceder una solicitud de una audiencia de caso impugnado sobre los temas que el solicitante haya presentado en sus comentarios oportunos que no fueron retirados posteriormente.

**Si se concede una audiencia, el tema de la audiencia estará limitado a cuestiones de hecho en disputa o cuestiones mixtas de hecho y de derecho que son pertinentes y materiales a la decisión de la Comisión sobre la solicitud que se hayan presentado durante el período de comentarios.**

**Lista de Correo.** Si presenta comentarios públicos, una petición para una audiencia de caso impugnado o una petición para reconsideración de la decisión del Director Ejecutivo, añadiremos su nombre a la lista de correo para esta solicitud para recibir futuros avisos públicos enviados por la Oficina del Secretario Oficial. Además, puede pedir que la TCEQ ponga su nombre en (1) la lista de correo permanente para un específico nombre de solicitante y número de permiso y/o (2) la lista de correo para un condado específico. Para ser añadido a una lista de correo permanente y/o una de condado, especifique claramente cuál/cuáles lista(s) y envíe su petición por correo a la Oficina del Secretario Oficial de la TCEQ.

**Información Disponible en Línea.** Para detalles sobre el estado de la solicitud, visite la Base de Datos Integrada de los Comisionados (CID, por sus siglas en inglés) al <[www.tceq.texas.gov/goto/cid](http://www.tceq.texas.gov/goto/cid)>. Una vez que haya obtenido acceso al CID usando el enlace de arriba, rellene el número de permiso de esta solicitud, la cual está proporcionada al inicio de este aviso.

**Comunicación y Transferencia de Información a la Agencia.** Todos los comentarios públicos y solicitudes deben ser presentadas electrónicamente via <[www14.tceq.texas.gov/epic/eComment/](http://www14.tceq.texas.gov/epic/eComment/)> o por escrito dirigidos a la TCEQ, Oficina del Secretario Oficial (Office of Chief Clerk), MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Tenga en cuenta que cualquier información personal que usted proporcione, incluyendo su nombre, número de teléfono, dirección de correo electrónico y dirección física pasarán a formar parte del registro público de la Agencia.
