B. Material Testing

and

Part 4: Measurement and Payment
A. Measurement and Payment

are revised as follows effective for all projects with bid opening date of June 1, 2022 and thereafter::

PART 2: PRODUCT

B. MATERIAL TESTING

The sentence, "Also Refer to Section 2.5, Material Testing."

"Also Refer to Section 2.6, Material Testing."

PART 4: MEASUREMENT AND PAYMENT

A. MEASUREMENT AND PAYMENT

Unless otherwise noted, all work performed as prescribed by this item will be paid for as a unit rate (area or volume), in accordance with the contract. Lime treatment shall be measured for payment in square yards for the thickness shown on the plans for the surface area of completed and accepted work. The measurement for lime shall be by the ton of 2,000 pounds dry weight. Lime treatment shall be paid for at the contract unit price per

square yard, as provided in the proposal and contract. The contract unit price shall be the total compensation for preparing the roadbed; for loosening, pulverizing, application of lime, water content in the slurry mixture and the mixing water; mixing, shaping sprinkling, compacting, finishing, curing though prime coat shall be paid for in accordance with Section 2.5 Prime Coat, and maintaining; for manipulations required; and for all labor, equipment, fuels, tools and incidentals necessary to complete the work, all in accordance with the plans and specifications. Lime material for "lime material" which price shall be full compensation for furnishing the material; for all freight involved; for all unloading, storing and hauling; and for all labor, equipment, fuels, tools and incidentals necessary to complete the work.

CAUTION: HANDLING AND USE OF QUICKLIME CAN BE DANGEROUS. QUICKLIME SHOULD BE PRESCRIBED BY A REGISTERED PROFESSIONAL ENGINEER FAMILIAR WITH ITS USE.
