

## Waco Metropolitan Planning Organization Policy Board

**Meeting Date:** October 17, 2024

**Agenda Item:** Review, Discussion, and Directive Action regarding authorization of MPO staff to begin the process of consultant selection to manage and carry out activities related to the FY 2023 Safe Streets and Roads for All SS4A grant award.

**Comments:** MPO Staff requests directive action from the Policy Board to initiate the process of selecting a consultant and releasing a Request for Proposals (RFP) for the management of activities related to the FY 2023 Safe Streets and Roads for All (SS4A) grant award. This grant will fund the implementation of roadway safety demonstration projects at six locations across Waco, Hewitt, & Bellmead, aimed at improving safety in mobility spaces. The consultant will oversee project management tasks, including coordination with local jurisdictions and federal grant compliance.

In addition to managing overall project activities, the selected consultant will be responsible for overseeing sub-consultants who will handle the design and implementation of the demonstration projects. Staff recommends board approval to ensure timely project initiation.
