Case #	ST-25-01
Energov #	25-00001-ST
Property Address	N/A
Description	S 29th Steet right-of-way between Dutton Avenue and Speight Avenue
Applicant/Owner	City of Waco / Hispanic Heritage Task Force
Mailing Address	401 Franklin Ave, Waco, TX 76701

Request(s)

HONORARY STREET NAME CHANGE:

The request is to consider the honorary street naming of a portion of S 29th Street to Ernesto Fraga Street, between Dutton Avenue and Speight Avenue.

This proposal is submitted by the Hispanic Heritage Task Force, established by the City of Waco to provide recommendations for the naming of the streets and new park facilities adjacent to the Floyd Casey redevelopment, reflecting the heritage and contributions of the Hispanic community in Waco, thereby honoring the legacy and achievements of Hispanic individuals who have significantly shaped Waco's history and culture.

Multiple properties are addressed off of this section of 29th Street within the proposed renaming area. By utilizing the honorary street naming process, the official name of the street will remain as S 29th Street (legal addresses will not change). Additional street signs will be added to the existing signage to indicate the honorary name of "Ernesto Fraga Street".

Planning Services Review

Neighborhood Character:

This section of 29th Street is located in central Waco, less than three miles south of Downtown and just west of Interstate 35 and falls within the Cesar Chavez Neighborhood Association, and Council District II. The properties are surrounded by a mix of residential uses and is located in the vicinity of the Floyd Casey Redevelopment. The area has been transitioning to more mixed-use development throughout the past decade. There is a mix of commercial, office, and medium to high density residential uses in this area, especially along Valley Mills Dr.

Planning Services Recommendation

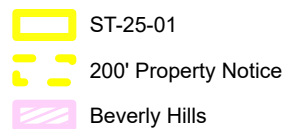

Planning Services recommends **APPROVAL** of the honorary street naming of a portion of S 29th Street to Ernesto Fraga Senior Street, between Dutton Avenue and Speight Avenue.
