83275-002 Tape Detectable Marking Blue (Water) 2" X 1000'

## **Clarification(s)**

All the water line items shall have specifications sheets highlighted dictating which series, i.e., model you are quoting, we will need to review each item to ensure they comply with Clean Water Act, TCEQ, City Detail Specs, and AWWA Standards before Utilities can approve their product. For example, all water parts shall be approved material for consumption such as brass fittings shall be stamped NL for no lead. They need to provide specs for each size they are quoting due to larger size items specifications can vary. All fitting shall be stamped NL for no lead.

## **Duration of Service/Contract**

If awarded this RFB, the resulting contract will be for a period of **12 months** with from the date of contract execution, with the possibility to extend the contract for **two (2) additional twelve (12) month terms** at the City's option.
