Texas Commission on Environmental Quality

Notice of Receipt of Application and Intent to Obtain a Municipal Solid Waste Permit

Proposed Permit No. 2400

Application. The City of Waco, 401 Franklin Avenue, Waco, McLennan County, Texas 76701, has applied to the Texas Commission on Environmental Quality (TCEQ) for a permit to authorize the construction and operation of a new Type I Municipal Solid Waste (MSW) landfill. The facility is proposed to be located at 4730 T K Parkway, Axtell, 76624 in McLennan and Limestone Counties, Texas. The TCEQ received Parts I and II of this application on August 8, 2018 and Parts III and IV of the complete application on May 29, 2020; as such, this is a continuation of that application and not a new application. The permit application is available for viewing and copying at the Waco-McLennan County Central Library, 1717 Austin Avenue, Waco, McLennan County, Texas 76701 and may be viewed online at <https://www.waco-texas.com/landfill-application-process.asp>. The following link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice: <https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5bac44afbc468bbddd360f8168250f&marker=-96.931111%2C31.701388&level=12>. For exact location, refer to application.

Additional Notice. TCEQ's Executive Director has determined the application is administratively complete and will conduct a technical review of the application. After technical review of the application is complete, the Executive Director may prepare a draft permit and will issue a preliminary decision on the application. **Notice of the Application and Preliminary Decision** will be published and mailed to those who are on the county-wide mailing list and to those who are on the mailing list for this application. That notice will contain the deadline for submitting public comments.

Public Comment/Public Meeting. You may submit public comments or request a public meeting on this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ will hold a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

Opportunity for a Contested Case Hearing. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application.** If comments are received, the mailing will also provide instructions for requesting reconsideration of the Executive Director's decision and for requesting a contested case hearing. A person who may be affected by the facility is entitled to request a contested case hearing from the commission. A contested case hearing is a legal proceeding similar to a civil trial in state district court.

To Request a Contested Case Hearing, You Must Include The Following Items in Your Request: your name, address, phone number; applicant's name and permit number; the location and distance of your property/activities relative to the facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period, and the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn.

If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law that are relevant and material to the Commission's decision on the application submitted during the comment period.

Mailing List. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. To be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

Information Available Online. For details about the status of the application, visit the Commissioners' Integrated Database (CID) at <www.tceq.texas.gov/goto/cid>. Once you have access to the CID using the above link, enter the permit number for this application, which is provided at the top of this notice.

Agency Contacts and Information. Box 13087, Austin, Texas 78711-3087. Comisión de Calidad Ambiental de Texas

Aviso de Recepción de Solicitud e Intención de Obtener un Permiso para Desechos Sólidos Municipales

Permiso propuesto Núm. 2400

Solicitud. La Ciudad de Waco, con sede en 401 Franklin Avenue, Waco, Condado de McLennan, Texas 76701, ha solicitado a la Comisión de Calidad Ambiental de Texas (TCEQ) un permiso para autorizar la construcción y operación de un nuevo relleno sanitario de Desechos Sólidos Municipales (MSW) Tipo I. Según lo propuesto, la instalación estará situada en 4730 T K Parkway, Axtell, 76624, en los Condados de McLennan y Limestone, Texas. La TCEQ recibió las Partes I y II de esta solicitud el 8 de agosto de 2018, y las Partes III y IV de la solicitud completa el 29 de mayo de 2020; por lo tanto, esta es la continuación de esa solicitud y no una solicitud nueva. La solicitud del permiso está disponible para leer y copiar en la Biblioteca Central de Waco-Condado de McLennan, 1717 Austin Avenue, Waco, McLennan County, Texas 76701 y se la puede ver en línea en <https://www.waco-texas.com/landfill-application-process.asp>. Este enlace a un mapa electrónico de la ubicación general del sitio o de la instalación es proporcionado como una cortesía para el público y no es parte de la solicitud o del aviso: <https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5bac44afbc468bbddd360f8168250f&marker=-96.931111%2C31.701388&level=12>. Para conocer la ubicación exacta, consulte la solicitud.

Aviso adicional. El Director Ejecutivo de la TCEQ ha determinado que la solicitud se encuentra completa desde el punto de vista administrativo y procederá a llevar a cabo su revisión técnica. Una vez que se haya completado la revisión técnica, el Director Ejecutivo podrá preparar un borrador del permiso y emitirá una decisión preliminar con respecto a la solicitud. **El Aviso sobre la Solicitud y la Decisión Preliminar se publicará y se enviará por correo a quienes se encuentren en la lista de correo para recibir información en todo el condado y a quienes se encuentren en la lista de correo para recibir información sobre esta solicitud.** Ese aviso contendrá la fecha límite para presentar los comentarios públicos.

Comentario público/Reunión pública. Usted puede presentar comentarios públicos o pedir una reunión pública sobre esta solicitud. El propósito de una reunión pública es dar la oportunidad de presentar comentarios o hacer preguntas acerca de la solicitud. La TCEQ realizará una reunión pública si el Director Ejecutivo determina que hay un grado de interés público suficiente en la solicitud o si un legislador local lo pide. Una reunión pública no es una audiencia administrativa de lo contencioso.

Oportunidad de una audiencia administrativa de lo contencioso. Después del plazo para presentar comentarios públicos, el Director Ejecutivo considerará todos los comentarios oportunos y preparará una respuesta a todos los comentarios públicos pertinentes y esenciales, o significativos. **A menos que la solicitud haya sido referida directamente a una audiencia administrativa de lo contencioso, la respuesta a los comentarios y la decisión del Director Ejecutivo sobre la solicitud serán enviadas por correo a todos quienes hayan presentado comentarios públicos y a las personas que estén en la lista de correo en relación con esta solicitud.** Si se reciben comentarios, la correspondencia también proveerá instrucciones para pedir una reconsideración de la decisión del Director Ejecutivo y para pedir una audiencia administrativa de lo contencioso. La persona que pueda ser afectada por la instalación tiene derecho a pedir a la comisión una audiencia administrativa de lo contencioso. Una audiencia administrativa de lo contencioso es un procedimiento legal similar a un juicio civil en un tribunal de distrito del estado.

Para pedir una audiencia administrativa de lo contencioso, debe incluir en su pedido los siguientes datos: su nombre, dirección, número de teléfono, nombre del solicitante y número de permiso; la ubicación y la distancia de su propiedad/actividad con respecto a la instalación; una descripción específica de cómo usted sería afectado adversamente por la instalación de una manera no común al público general; una lista de todas las cuestiones de hecho controvertidas que usted haya presentado durante el periodo de comentarios y la declaración "[Yo/nosotros] solicito/solicitamos una audiencia administrativa de lo contencioso". Si el pedido de una audiencia administrativa de lo contencioso se presenta en nombre de un grupo o asociación, debe designar el representante del grupo para recibir correspondencia en el futuro; debe identificar, con nombre y dirección física, a un miembro individual del grupo que sería afectado adversamente por la instalación o la actividad propuesta; debe proveer la información ya indicada anteriormente con respecto a la ubicación del miembro afectado y la distancia de la instalación o actividad; debe explicar cómo y por qué el miembro se vería afectado; y explicar cómo los intereses que el grupo desea proteger son pertinentes al propósito del grupo.

Después del cierre de todos los periodos aplicables para los pedidos y comentarios, el director ejecutivo enviará la solicitud y los pedidos de reconsideración o de una audiencia administrativa de lo contencioso a los Comisionados de la TCEQ para su consideración en una reunión programada de la Comisión. La Comisión sólo podrá otorgar una audiencia administrativa de lo contencioso con respecto a las cuestiones que el solicitante haya presentado en los comentarios oportunamente realizados que no se hayan retirado con posterioridad.

Si se otorga una audiencia, el objeto de esta se limitará a las cuestiones de hecho controvertidas o a las preguntas de hecho y de derecho combinadas que resulten pertinentes y esenciales para la decisión de la Comisión sobre la solicitud presentada durante el periodo de comentarios.

Lista de correo. Si usted presenta comentarios públicos, un pedido para una audiencia administrativa de lo contencioso o una reconsideración de la decisión del director ejecutivo, se le agregará a la lista de correo para esta solicitud a fin de recibir los avisos públicos que la Oficina del Secretario Principal enviará por correo. Además, puede pedir ser incluido en: (1) la lista de correo permanente para recibir los avisos de un solicitante y un número de permiso específicos; y/o (2) la lista de correo para un condado específico. Si desea que se agregue su nombre a la lista de correo permanente y/o a la lista del condado, especifíquelo claramente y envíe su pedido a la Oficina del Secretario Principal de la TCEQ a la dirección que se indica a continuación.

Información disponible en línea. Para obtener detalles sobre el estado de la solicitud, visite la Base de Datos Integrada del Comisionado (CID) en <www.tceq.texas.gov/goto/cid>. Una vez que haya tenido acceso a la CID usando el enlace indicado anteriormente, ingrese el número de permiso para esta solicitud, que está indicada en la parte superior de este aviso.

Contactos e información de la Agencia. Todos los comentarios públicos y solicitudes deben ser enviados ya sea en forma electrónica a <www14.tceq.texas.gov/epic/eComment/> o por escrito a la Comisión de Calidad Ambiental de Texas, Oficina del Secretario Principal (Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. A person who may be affected by the facility is entitled to request a contested case hearing from the commission. A contested case hearing is a legal proceeding similar to a civil trial in state district court.**

To Request a Contested Case Hearing, You Must Include The Following Items in Your Request: your name, address, phone number; applicant's name and permit number; the location and distance of your property/activities relative to the facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period, and the statement “[I/we] request a contested case hearing.” If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn.

If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law that are relevant and material to the Commission's decision on the application submitted during the comment period.

Mailing List. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. To be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

Comisión de Calidad Ambiental de Texas

Aviso de Recepción de Solicitud e Intención de Obtener un Permiso para Desechos Sólidos Municipales Permiso propuesto Núm. 2400

Solicitud. La Ciudad de Waco, con sede en 401 Franklin Avenue, Waco, Condado de McLennan, Texas 76701, ha solicitado a la Comisión de Calidad Ambiental de Texas (TCEQ) un permiso para autorizar la construcción y operación de un nuevo relleno sanitario de Desechos Sólidos Municipales (MSW) Tipo I. Según lo propuesto, la instalación estará situada en 4730 T K Parkway, Axtell, 76624, en los Condados de McLennan y Limestone, Texas. La TCEQ recibió las Partes I y II de esta solicitud el 8 de agosto de 2018, y las Partes III y IV de la solicitud completa el 29 de mayo de 2020; por lo tanto, esta es la continuación de esa solicitud y no una solicitud nueva. La solicitud del permiso está disponible para leer y copiar en la Biblioteca Central de Waco-Condado de McLennan, 1717 Austin Avenue, Waco, McLennan County, Texas 76701 y se la puede ver en línea en <https://www.waco-texas.com/landfill-application-process.asp>. Este enlace a un mapa electrónico de la ubicación general del sitio o de la instalación es proporcionado como una cortesía para el público y no es parte de la solicitud o del aviso: <https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5bac44afbc468bbddd360f8168250f&marker=-96.931111%2C31.701388&level=12>. Para conocer la ubicación exacta, consulte la solicitud.

Aviso adicional. El Director Ejecutivo de la TCEQ ha determinado que la solicitud se encuentra completa desde el punto de vista administrativo y procederá a llevar a cabo su revisión técnica. Una vez que se haya completado la revisión técnica, el Director Ejecutivo podrá preparar un borrador del permiso y emitirá una decisión preliminar con respecto a la solicitud. **El Aviso sobre la Solicitud y la Decisión Preliminar se publicará y se enviará por correo a quienes se encuentren en la lista de correo para recibir información en todo el condado y a quienes se encuentren en la lista de correo para recibir información sobre esta solicitud. Ese aviso contendrá la fecha límite para presentar los comentarios públicos.**

Comentario público/Reunión pública. Usted puede presentar comentarios públicos o pedir una reunión pública sobre esta solicitud. El propósito de una reunión pública es dar la oportunidad de presentar comentarios o hacer preguntas acerca de la solicitud. La TCEQ realizará una reunión pública si el Director Ejecutivo determina que hay un grado de interés público suficiente en la solicitud o si un legislador local lo pide. Una reunión pública no es una audiencia administrativa de lo contencioso.

Oportunidad de una audiencia administrativa de lo contencioso. Después del plazo para presentar comentarios públicos, el Director Ejecutivo considerará todos los comentarios oportunos y preparará una respuesta a todos los comentarios públicos pertinentes y esenciales, o significativos. **A menos que la solicitud haya sido referida directamente a una audiencia administrativa de lo contencioso, la respuesta a los comentarios y la decisión del Director Ejecutivo sobre la solicitud serán enviadas por correo a todos quienes hayan presentado comentarios públicos y a las personas que estén en la lista de correo en relación con esta solicitud. Si se reciben comentarios, la correspondencia también proveerá instrucciones para pedir una reconsideración de la decisión del Director Ejecutivo y para pedir una audiencia administrativa de lo contencioso. La persona que pueda ser afectada por la instalación tiene derecho a pedir a la comisión una audiencia administrativa de lo contencioso.** Una audiencia administrativa de lo contencioso es un procedimiento legal similar a un juicio civil en un tribunal de distrito del estado.

Para pedir una audiencia administrativa de lo contencioso, debe incluir en su pedido los siguientes datos: su nombre, dirección, número de teléfono, nombre del solicitante y número de permiso; la ubicación y la distancia de su propiedad/actividad con respecto a la instalación; una descripción específica de cómo usted sería afectado adversamente por la instalación de una manera no común al público general; una lista de todas las cuestiones de hecho controvertidas que usted haya presentado durante el período de comentarios y la declaración “[Yo/nosotros] solicito/solicitamos una audiencia administrativa de lo contencioso”. Si el pedido de una audiencia administrativa de lo contencioso se presenta en nombre de un grupo o asociación, debe designar el representante del grupo para recibir correspondencia en el futuro; debe identificar, con nombre y dirección física, a un miembro individual del grupo que sería afectado adversamente por la instalación o la actividad propuesta; debe proveer la información ya indicada anteriormente con respecto a la ubicación del miembro afectado y la distancia de la instalación o actividad; debe explicar cómo y por qué el miembro se vería afectado; y explicar cómo los intereses que el grupo desea proteger son pertinentes al propósito del grupo.

Después del cierre de todos los períodos aplicables para los pedidos y comentarios, el director ejecutivo enviará la solicitud y los pedidos de reconsideración o de una audiencia administrativa de lo contencioso a los Comisionados de la TCEQ para su consideración en una reunión programada de la Comisión. La Comisión solo podrá otorgar una audiencia administrativa de lo contencioso con respecto a las cuestiones que el solicitante haya presentado en los comentarios oportunamente realizados que no se hayan retirado con posterioridad. **Si se otorga una audiencia, el objeto de esta se limitará a las cuestiones de hecho controvertidas o a las preguntas de hecho y de derecho combinadas que resulten pertinentes y esenciales para la decisión de la Comisión sobre la solicitud presentada durante el período de comentarios.**

Lista de correo. Si usted presenta comentarios públicos, un pedido para una audiencia administrativa de lo contencioso o una reconsideración de la decisión del director ejecutivo, se le agregará a la lista de correo para esta solicitud a fin de recibir los avisos públicos que la Oficina del Secretario Principal enviará por correo. Además, puede pedir ser incluido en: (1) la lista de correo permanente para recibir los avisos de un solicitante y un número de permiso específicos; y/o (2) la lista de correo para un condado específico. Si desea que se agregue su nombre a la lista de correo permanente y/o a la lista del condado, especifíquelo claramente y envíe su pedido a la Oficina del Secretario Principal de la TCEQ a la dirección que se indica a continuación.

Información disponible en línea. Para obtener detalles sobre el estado de la solicitud, visite la Base de Datos Integrada del Comisionado (CID) en <www.tceq.texas.gov/goto/cid>. Una vez que haya tenido acceso a la CID usando el enlace indicado anteriormente, ingrese el número de permiso para esta solicitud, que está indicada en la parte superior de este aviso.

Contactos e información de la Agencia. Todos los comentarios públicos y solicitudes deben ser enviados ya sea en forma electrónica a <www14.tceq.texas.gov/epic/eComment/> o por escrito a la Comisión de Calidad Ambiental de Texas, Oficina del Secretario Principal (Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087). Texas Commission on Environmental Quality

Notice of Receipt of Application and Intent to Obtain a Municipal Solid Waste Permit Proposed Permit No. 2400

Application. The City of Waco, 401 Franklin Avenue, Waco, McLennan County, Texas 76701, has applied to the Texas Commission on Environmental Quality (TCEQ) for a permit to authorize the construction and operation of a new Type I Municipal Solid Waste (MSW) landfill. The facility is proposed to be located at 4730 T K Parkway, Axtell, 76624 in McLennan and Limestone Counties, Texas. The TCEQ received Parts I and II of this application on August 8, 2018 and Parts III and IV of the complete application on May 29, 2020; as such, this is a continuation of that application and not a new application. The permit application is available for viewing and copying at the Waco-McLennan County Central Library, 1717 Austin Avenue, Waco, McLennan County, Texas 76701 and may be viewed online at <https://www.waco-texas.com/landfill-application-process.asp>. The following link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice: <https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5bac44afbc468bbddd360f8168250f&marker=-96.931111%2C31.701388&level=12>. For exact location, refer to application.

Additional Notice. TCEQ's Executive Director has determined the application is administratively complete and will conduct a technical review of the application. After technical review of the application is complete, the Executive Director may prepare a draft permit and will issue a preliminary decision on the application. **Notice of the Application and Preliminary Decision will be published and mailed to those who are on the county-wide mailing list and to those who are on the mailing list for this application. That notice will contain the deadline for submitting public comments. Public Comment/Public Meeting. You may submit public comments or request a public meeting on this application.** The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ will hold a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

Opportunity for a Contested Case Hearing. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting reconsideration of the Executive Director's decision and for requesting a contested case hearing. A person who may be affected by the facility is entitled to request a contested case hearing from the commission. A contested case hearing is a legal proceeding similar to a civil trial in state district court. To Request a Contested Case Hearing, You Must Include The Following Items in Your Request:** your name, address, phone number; applicant's name and permit number; the location and distance of your property/activities relative to the facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period, and the statement “[I/we] request a contested case hearing.” If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn. **If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law that are relevant and material to the Commission's decision on the application submitted during the comment period.**

Mailing List. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. To be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

Dear Sir/Madame:

On August 7, 2020, we submitted Publisher's Affidavits from the Groesbeck Journal and the Mexia News newspaper to the Office of the Chief Clerk with regard to the above-referenced Notice of Receipt of Application and Intent to Obtain Municipal Solid Waste Permit (NORI Notice). However, the Publisher's Affidavits provided by the Groesbeck Journal and the Mexia News newspaper failed to properly include the correct information or were incomplete. For this reason, we requested the enclosed corrected, executed original Publisher's Affidavits from the Groesbeck Journal and the Mexia News newspaper and are submitting them to your office.

The Groesbeck Journal newspaper failed to include the date of publication of the notice, July 16, 2020, on the Publisher's Affidavit # 1, and, therefore, was incomplete. Per my request, the Groesbeck Journal has provided a correct and complete original of the Publisher's Affidavit # 1. Enclosed for your records, please find the correct and complete original of the Publisher's Affidavit # 1 from the Groesbeck Journal newspaper.

The Mexia News failed to include (1) the publication date of the notice, July 11, 2020, on the Publisher's Affidavit # 1, (2) failed to properly check the appropriate box regarding the newspaper's circulation in the county, and (3) failed to list the correct date of publication on the Publisher's Affidavit #2, and therefore, the affidavits were incorrect and incomplete. Per my request, the Mexia News has provided the correct and complete originals of the Publisher's Affidavits # 1 and #2. Enclosed for your records, please find the correct and complete originals of the Publisher's Affidavits # 1 and #2 from the Mexia News newspaper.

Please do not hesitate to contact me at (512) 322-5852 or email me at jjimenez@lglawfirm.com if you have any questions with regard to the information provided.

Sincerely,

Joe Jimenez
Paralegal to Jeffrey S. Reed
