RIDE FARE-FREE TO THE POLLS ON ELECTION DAY!

Waco Transit System to offer free fixed-route bus rides to the polls for registered voters on Tuesday, November 7th.

Waco, Texas – Waco Transit System is joining the effort to encourage voter participation in Texas by offering complimentary rides to and from the polls for registered voters this upcoming Election Day. Bus fare will be waived on Tuesday, November 7, 2023, for passengers who present their valid voter registration card, Identification Card (ID), or “I Voted” sticker to the driver when boarding any fixed route bus.

City and transit officials recognize the challenges faced by those who lack access to personal transportation. This initiative is one way to help bridge that gap locally and ensure everyone has an equal opportunity to vote.

Riders are encouraged to determine, in advance, which routes will get them closest to their polling location. Route maps are available online at waco-texas.com/transit and at the Waco Transit bus terminal, located at 301 S. 8th Street. Routes will operate from 5:15 a.m. to 7:15 p.m. on Election Day.

All fixed-route buses can be tracked in real-time by downloading the free “Ride Systems” app and selecting “Waco Transit” as the agency. For more information, call (254) 750-1613 or (254) 750-1900.
