

## City of Waco, Texas

July 2021 Financial Report
Office of Management and Budget

## August 27, 2021

Honorable Mayor and Members of Council,
I respectfully submit this monthly financial report for the period ended July 31, 2021.
General Fund Highlights: Revenues are $99.6 \%$ of budget and expenditures are $82.6 \%$ of budget. Sales tax revenues total $\$ 38.7 \mathrm{M}$ through the period which is higher than the original budget of $\$ 36 \mathrm{M}$. Overall revenues continue to outpace budget and expenditures are below the budget through the period.

Water Utility Fund Highlights: Revenues are $75.3 \%$ of budget while expenses are $90.4 \%$ of budget.
Wastewater Utility Fund Highlights: Revenues are $81.4 \%$ of budget while expenses are $86.3 \%$ of budget.
WMARSS Utility Fund Highlights: Revenues are 79.9\% of budget while expenses are $90.9 \%$ of budget.
Solid Waste Fund Highlights: Revenues are $88.6 \%$ of budget while expenses are $94.5 \%$ of budget.
Airport Fund Highlights: Revenues are $82 \%$ of budget while expenses are $90 \%$ of budget.
Convention Service Fund Highlights: Revenues are $72.4 \%$ of budget while expenses are $48.8 \%$ of budget. Hotel Motel Tax revenues are starting to return to preCovid levels.

Texas Ranger Hall of Fame Fund Highlights: Revenues are $87.3 \%$ of budget while expenses are $80.2 \%$ of budget. Overall, visits for the Texas Ranger Hall of Fame are trending upwards.

Cameron Park Zoo Fund Highlights: Revenues are $104.3 \%$ of budget while expenses are $71.9 \%$ of budget. Attendance at the Zoo continues to outperform FY20.
Cottonwood Creek Golf Course Fund Highlights: Revenues are $86.0 \%$ of budget while expenses are $71.4 \%$ of budget. Overall performance of the Golf Course has seen tremendous improvement during the current year compared to last year.

## Monthly Highlights

On a monthly basis, the city continues to perform well. Revenues in the month of July 2021 exceeded both the July 2020 numbers as well as the FY21 budgeted amount for the month in the General Fund. Overall, most other funds saw revenues exceed expenses in the month of July and outperformed July 2020.

| Fund | July 21 Budget | July 21 Actuals | FY 21 \% Used | July 20 Budget | July 20 Actuals | FY 20 \% Used |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |

|  |  |  | (32,353,938.97) |  | $\left(17,197,970.0{ }^{2}\right.$ |  |  | - | $\square$ |  |

Revenues through the period totaled $\$ 145.6 \mathrm{M}$, or $99.6 \%$ of the budgeted amounts. Revenues for the fiscal year are $\$ 10.8 \mathrm{M}$ higher than this time last year and are over the year-to-date budget of $\$ 132.8 \mathrm{M}$. The annual budget for the fiscal year is $\$ 146.3 \mathrm{M}$; however, the budget staff projects that overall revenues will total $\$ 161.2 \mathrm{M}$. The largest source of the surplus is sales tax, which is forecasted to generate $\$ 47 \mathrm{M}, \$ 11 \mathrm{M}$ over the budgeted amount.

Operating revenues through the period, totaled $\$ 133.7 \mathrm{M}$, which is an increase of $\$ 8.6 \mathrm{M}$ through the same period last year. Property tax is the largest source of revenue for the city, which totals $\$ 68.7 \mathrm{M}$. Property tax revenue is typically received during the first two quarters of the fiscal year, with most of the taxes being received in January and February; therefore, the budget staff does not expect this number to increase much more throughout the year. The major contributor to the year-to-year variance, through the period is sales tax. Sales tax collected by the city is $\$ 38.7 \mathrm{M}$, which is $\$ 2.7 \mathrm{M}$ over YTD budget. This includes all-time recording breaking collections by the city in the months of March, April, May, and June. The budget staff expects sales tax collections in the city to return to pre-pandemic levels, increasing $3 \%$ to $6 \%$ year over year as the population and number of businesses increase. The City's core sectors of retail, food, manufacturing, and information represent about $70 \%$ to $75 \%$ of collections in any given month. The graph shows an average distribution for the City of Waco. Monthly, staff reviews the confidential report from the state to ensure there are no major variances in the City's core sales tax sectors and taxpayers.

Expenses through the period total $\$ 130.5 \mathrm{M}$. Last year's expenses were at $\$ 129.2 \mathrm{M}$ though the period. Expenses are slightly under the year-to-date budget of $\$ 132.0 \mathrm{M}$.

Actual Salaries and Wages, the largest expense category in the General Fund, totals $\$ 55.4 \mathrm{M}$ through the period, which is $77.8 \%$ of budget and under the $\$ 57.6 \mathrm{M}$ budget for the fiscal year to date.

Employee Benefits total $\$ 19.8 \mathrm{M}$, which is $75.9 \%$ of budget and is under the $\$ 21 \mathrm{M}$ budget for the fiscal
 year to date.

The current budget staff expected the General Fund to have a budget deficit of $\$ 17.2 \mathrm{M}$, due to planned usage of excess fund balance above the City's financial policy target. While the pandemic is far from over, the recovery has generated higher revenues than expected. The budget staff is now forecasting that the General Fund will generate a budget surplus of $\$ 8.1 \mathrm{M}$.

Revenues through the period total $\$ 42 \mathrm{M}$ or $75.3 \%$ of budget. Last year through the period, revenues totaled $\$ 42.5 \mathrm{M}$, or $83.6 \%$ of budget. The largest component of revenue is Charges for Services, which totals $\$ 40 \mathrm{M}$, or $74.5 \%$ of budget. Total revenues are down $\$ 493 \mathrm{~K}$ through the same period last year.

Expenses through the period totaled $\$ 45.5 \mathrm{M}$ or $90.4 \%$ of budget. Expenses are below the year-to-date budget of $\$ 42.4 \mathrm{M}$. Last year through the period, expenses totaled $\$ 45.9 \mathrm{M}$.

Salaries and Wages expenses total $\$ 4.3 \mathrm{M}$ or $75.4 \%$ of budget and are under the year-to-date budget of $\$ 4.6 \mathrm{M}$.

The FY 21 budget expected a surplus of $\$ 3.2 \mathrm{M}$ for the fund; however, based on year-to-date activity the budget staff is projecting a $\$ 1.2 \mathrm{M}$ surplus at the end of the fiscal year. This decline is due to charges for services being down compared to the current budget through the current period and projected for the rest o the fiscal year as a result of more days of rain which decreases water consumption and usage.

Revenues through the period total $\$ 32.1 \mathrm{M}$, or $81.4 \%$ of the annual budget. Through the same period last year's collection totaled $\$ 29.9 \mathrm{M}$. The largest component of revenues is Charges for Services which totaled just under $\$ 31.6 \mathrm{M}$. Overall, the fund has received $\$ 2.1 \mathrm{M}$ more in operating revenue through the period compared to last year.

Expenses through the period total $\$ 31.7 \mathrm{M}$, or $86.3 \%$ of budget and is under the year-to-date budget of $\$ 30.1 \mathrm{M}$. Through the period last year, \$30.5M, had been spent.

Salaries and Wages totaled $\$ 1.8 \mathrm{M}$, or $79.1 \%$ of budget and is slightly under the year-to-date budget.
Current year expenses are higher than last year by $\$ 1.2 \mathrm{M}$. This is primarily due to payments to WMARSS, which is a result of the rate increase and increased flows.

For the FY 21 budget, we expected there to be a surplus of $\$ 2.2 \mathrm{M}$. The budget staff is projecting a larger surplus of $\$ 3.7 \mathrm{M}$ at the end of the fiscal year.

Revenues through the period total $\$ 10.3 \mathrm{M}$, or $79.9 \%$ of the budget. At this point last year, $\$ 6.7 \mathrm{M}$ in revenue had been collected.
The largest revenue stream in the fund is Charges for Services. Through the period, Charges for Services total $\$ 10.1 \mathrm{M}$, which is $79.6 \%$ of budget. This is an increase of $\$ 3.5 \mathrm{M}$ from last year. The increase in revenues is due to the rate increase for WMARSS customers as well as increased flows from the City of Waco.

Expenses through the period totaled $\$ 8.3 \mathrm{M}$, which is $90.9 \%$ of budget. Through the same period last year, expenses totaled $\$ 8.1 \mathrm{M}$.
Salaries and Wages through the period, total just over $\$ 1.2 \mathrm{M}$, and is slightly below the year-to-date budget. This amount is also slightly below last year's amount by $\$ 52 \mathrm{k}$. Overall, expenses are $\$ 270 \mathrm{~K}$ higher than this time last year.

For the FY 21 budget, we expected the fund to generate a surplus of $\$ 1.9 \mathrm{M}$. The budget staff is projecting a $\$ 3 \mathrm{M}$ surplus at the end of the fiscal year.

Revenues through the period total $\$ 18.9 \mathrm{M}$, or $88.6 \%$ of budget. At this point last year, $\$ 18.2 \mathrm{M}$, had been collected.
The largest revenue stream in the fund is Charges for Services. Through the period, Charges for Services totaled $\$ 18.7 \mathrm{M}$, or $88.7 \%$ of budget and is over the year-to-date budgeted amount of $\$ 17.6 \mathrm{M}$.

Expenses through the period total $\$ 19.8 \mathrm{M}$, or $94.5 \%$ of budget and is above the year-to-date budget of $\$ 18.5 \mathrm{M}$. This is due to maintenance expenses and supplies being over the year-to-date budget by $\$ 400 \mathrm{k}$ and $\$ 300 \mathrm{k}$, respectively. At this point last year, $\$ 21.7 \mathrm{M}$, had been spent. There is a year-to-year reduction of expenses of $\$ 1.9 \mathrm{M}$; however, a large amount of this is for a $\$ 2.1 \mathrm{M}$ transfer in FY 2020 that is not part of the FY21 budget.

Salaries and Wages total $\$ 3.4 \mathrm{M}$ or $80.7 \%$ of the annual budget. This figure is ahead of last year's amount by $\$ 251 \mathrm{k}$; however, this amount is slightly under the budget for this point in the year.

For the FY 21 budget, we expected the fund to generate a loss of $\$ 1.5 \mathrm{M}$. However, the budget staff is now forecasting the fund to generate a surplus of $\$ 335 k$.

Revenues through the period totaled $\$ 2.5 \mathrm{M}$, or $82 \%$ of budget and are in line with the budget through the period. In the previous fiscal year, revenues through the period totaled $\$ 1.3 \mathrm{M}$. The year-to-year variance of $\$ 1.2 \mathrm{M}$ is from an increase in intergovernmental revenues. Intergovernmental revenues are funds from the federal government to improve and operate the airport. The federal government provided funding through the CARES Act to ensure the stability of air travel operations during the COVID-19 pandemic.

The largest source of revenue for the Airport Fund this year is intergovernmental revenues, which totals $\$ 1.6 \mathrm{M}$. While intergovernmental funding is part of the normal budget, it is not normal for this source to be the largest source of revenue. In fiscal year 2020, intergovernmental funding only totaled $\$ 56,370$ through the period.

In a typical year, Charges for Services would be the largest source of revenue. Through the period, the airport has collected $\$ 625 \mathrm{k}$ in this category. This amount is over the expected budget. This results in revenue of $\$ 9.05$ per passenger for FY 21 . This is a decrease from $\$ 9.24$ from FY 2020. Through the period last year, the airport collected $\$ 620 \mathrm{k}$ in this category; however, it had fewer passengers last year.

Expenses through the period totaled $\$ 2 \mathrm{M}$, or $90 \%$ of budget. This amount is slightly over the YTD budget of $\$ 2.0 \mathrm{M}$ and is also $\$ 285 \mathrm{k}$ higher than FY20.

The COVID-19 pandemic has had a direct effect on the airport. The public was not traveling via air as a form of precaution, which has reduced the number of total passengers coming into the airport. The total number of passengers in and out of Waco was down about $46 \%$ at the start of the fiscal year and trended downward through the winter months. The winter storm in February also had a direct effect on the number of passengers. However, the total number of passengers did increase starting in March. The total number of passengers is still below 2019 and 2018; however, it is not as significant as it was during the height of the pandemic, which is good news for the airport and the city.

Overall expenses per passenger total $\$ 29.04$ compared to $\$ 25.62$ in FY20. The net revenue/(loss) per passenger totals - $\$ 19.99$ compared $-\$ 16.38$ in FY 20 an increase in net loss per passenger of $22.1 \%$.

For the FY 21 budget, we expected the fund to generate a surplus of $\$ 568 \mathrm{k}$. The budget staff expects the fund to generate surplus of $\$ 600 \mathrm{k}$, which is higher than the original budget.

## Arrivals and Departure- Airport

Convention Service Fund
CONVENTION SERVICES FUND

Revenues through the period totaled $\$ 3.8 \mathrm{M}$, or $72.4 \%$ of budget. In the previous fiscal year, revenues through the period totaled $\$ 3.8 \mathrm{M}$.
The largest source of revenue for the Convention Service Fund is the Hotel and Motel Tax, which accounts for $77 \%$ of the fund's FY21 budget. The month of February declined significantly due to the pandemic and the winter storm. However, the City of Waco is recovering from the impacts of COVID-19, as more vaccines become available, and businesses open back up. The city collected more funds in March, May, June, and July 2021 than it did in the same months of 2019.

Expenses through the period totaled $\$ 2.4 \mathrm{M}$, or $48.8 \%$ of budget. This amount is under the YTD budget of $\$ 4.6 \mathrm{M}$. Compared to this period of FY20, this is a decrease of $\$ 2.5 \mathrm{M}$.

For current FY 21 budget, we expect the fund to have a shortfall of $\$ 517 \mathrm{k}$; however, due to convention staff being mindful of filling vacancies and operational spending, the budget staff is projecting a surplus of $\$ 1.7 \mathrm{M}$.

Operational Revenues through the period totaled $\$ 533 \mathrm{~K}$, or $91.5 \%$ of budget. This is an increase of $\$ 114 \mathrm{~K}$ compared to last year. Through the period last year, operational revenues were at $\$ 419 k$, or $46 \%$ of budget. Visits to the Texas Ranger Hall of Fame are trending upward. However, construction on interstate 35 still has a direct impact on visitors. Attendance through July totaled 37,023 compared to 42,055 in FY20, a decline of $12 \%$. Revenue per visitor (Charges for Services plus Net Merchandise Sales) is $\$ 14.07$ vs. $\$ 9.42$ in 2020.

Expenses through the period totaled $\$ 1.3 \mathrm{M}$, or $80.2 \%$. Through the same period last year, expenses totaled $\$ 1.1 \mathrm{M}$, or $66.9 \%$ of budget. The largest segment of operating expenses is Salaries and Wages, which totaled $\$ 617 \mathrm{k}$ through the period. This segment is in line with the year-to-date budget.

Expenses per visitor total $\$ 35.85$ vs. $\$ 25.90$ in FY2020. Overall net revenues/(loss) per visitor is $-\$ 21.78$ compared to -\$16.48 in FY2020.

For the FY 21 budget, we expected the fund to have a budget shortfall of $\$ 368$ k. The budget staff now projects the fund to have a smaller shortfall of $\$ 216 \mathrm{k}$.

|  |  |  |  |  |  |  |  |  |  |  |

Operational Revenues through the period totaled $\$ 3.4 \mathrm{M}$. This is an increase of $\$ 1.9 \mathrm{M}$ compared to last year. The zoo staff increased their budget by $\$ 850$ k during July, in order to reflect the increase in net merchandise sales which have generated significantly higher revenue than originally budgeted. The two largest sources of operating revenue for the Zoo are charges for services and the net merchandise sales. Year-to-date, charges for services have eclipsed the full year budget by $\$ 727 \mathrm{k}$, and Net Merchandise Sales has generated $\$ 1.1 \mathrm{M}$ through the period.

The Zoo has also increased revenues in the Other category, which was not projected to generate revenue in the fiscal year. Other revenue generated by the Zoo, has generated $\$ 72 \mathrm{k}$ this year. This comes from food trucks and revenue sharing for rentals of strollers and electric scooters. The zoo will continue the partnership with these vendors and revenues should continue to grow in this category.

Revenues per attendee (Charges for Service
 plus Net Merchandise Sales) through July are $\$ 11.71$ compared to $\$ 8.11$ in FY2020 a 44\% increase while attendance has increased $59 \%$.

Expenses through the period total $\$ 4.2 \mathrm{M}$, or $71.9 \%$ of the budget and is under the YTD of $\$ 4.8 \mathrm{M}$. Through the period last year, expenses totaled \$4.3M.

Salaries and Wages total $\$ 1.6 \mathrm{M}$ through the period, or $75.7 \%$ of budget and is below the budget through the period. Expenses per attendee total $\$ 14.93$ vs. $\$ 24.07$ in FY2020, a decrease of $38 \%$. Overall net revenues/(loss) per attendee is $-\$ 2.96$ vs. $-\$ 15.85$ in FY 20 , an improvement of $81 \%$.

The decrease in COVID-19 cases and increase in vaccinations in the city are a benefit for the zoo. Additionally, the higher-than-expected sales of merchandise and new partnerships have increased revenues for the zoo and have surpassed expectations. The budget staff projects operating revenues for the zoo will total $\$ 3.8 \mathrm{M}, \$ 1.1 \mathrm{M}$ over the original budget amount.

The year-end projection from the budget staff shows that the zoo fund will generate a $\$ 1.7 \mathrm{M}$ surplus, compared to the $\$ 331 \mathrm{k}$ shortfall in the current budget.
