Electrical Plan Review Letter: Property Owner Acknowledgment

Project Information:

Engineer: _____ Permit No.: _____

Address: _____ Parcel: _____

I understand that the City of Waco is issuing this permit based on the guarantee from the Design Engineer of Record that the design meets or exceeds the 2023 National Electrical Code, all other applicable ordinances, codes, and laws adopted by the City of Waco and State of Texas, and accepted design and construction practices in Texas.

I understand that the issuance of a permit shall not be construed to authorize any code violations. Any permit that implies permission to disregard code provisions is invalid.

I understand that issuing a permit based on plans, specifications, or data shall not prevent the building official from thereafter requiring corrections of errors or preventing occupancy or use of the building in violation of the codes or any other ordinances of this jurisdiction.

All approvals are subject to site inspections and requested corrections by a building inspector. I understand that installation will be inspected to code.
