

Neighborhood Support Petition

Use this petition to gauge support from neighborhood residents for the project. You are only required to include five signatures, but additional signatures will help during the evaluation process. Make sure that those signing clearly understand the details of your project. Be sure to include both owners and renters.

Neighborhood Association Name: _____

Project Name: _____

Project Description:

The following residents of the Neighborhood fully understand the aforementioned project and support the pursuit of a Neighborhood Grant to implement it.
