This bond is conditioned further that the said principal, without additional cost to the person for whom the work is done, maintain all sidewalks, curbs, and gutters or other concrete work on public property so constructed, reconstructed or repaired by said principal for a period of twelve (12) months from date of such construction, reconstruction or repair to the satisfaction of the City Engineer of the City of Waco and shall reconstruct or repair such sidewalk, curb and gutter or other concrete work on public property to the satisfaction of the City Engineer of the City of Waco at any time within twelve (12) months after the construction, reconstruction or repair of such sidewalk, curb, gutter or other concrete work on public property and after thirty (30) days notice from the City Engineer of the City of Waco to reconstruct or repair the same. The opinion of the City Engineer of the City of Waco as to the necessity for such reconstruction or repair shall be binding upon the parties hereto and this bond shall be for such purpose in force for twelve (12) months after the construction, reconstruction, or repair of such sidewalk, curb, gutter or other concrete work on public property.
