Boil Water Notice for Old Lorena Rd. - Chapel Rd. Area Lifted

Waco, Texas (January 10, 2020) – On January 9, 2020, due to scheduled installation of new water lines and the resulting low/no water pressure in the area, the City of Waco water system (PWS#1550008) issued a Boil Water Notice for customers in areas west of Old Lorena Rd, north of Bluebonnet Ln., and south of Cottonbelt Trail, including: Armadillo Dr., Belver Rd., Bluebonnet Ln., Cecil Ln., Chapel Rd., Crooked Creek Rd., Eagle Crest, El Gato Ln., Fox Ridge, Haley Hill Rd., Jaun Diego Rd., Leutwyler Ln., Longhorn Dr., Lorena Meadows Dr., Marcy Ln., Mourning Dove Ln., Old Lorena Rd., Pence Dr., Possum's End, Rabbit Hill Rd., River View Dr., and Summer Harvest Dr. to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water was required to be boiled prior to use for drinking water or human consumption purposes.

The public water system has taken the necessary corrective actions to restore the quality of the water distributed for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water no longer requires boiling prior to use as of January 10, 2020.

If you have questions concerning this matter, please call 299-CITY (2489).
