Boil Water Notice for Old Lorena Rd. - Chapel Rd. Area

WACO, TEXAS (January 9, 2020) – Due to scheduled installation of new water lines and the resulting low/no water pressure in the area, the City of Waco water system (PWS#1550008) is notifying City of Waco Water customers in areas west of Old Lorena Rd, north of Bluebonnet Ln., and south of Cottonbelt Trail, including: Armadillo Dr., Belver Rd., Bluebonnet Ln., Cecil Ln., Chapel Rd., Crooked Creek Rd., Eagle Crest, El Gato Ln., Fox Ridge, Haley Hill Rd., Jaun Diego Rd., Leutwyler Ln., Longhorn Dr., Lorena Meadows Dr., Marcy Ln., Mourning Dove Ln., Old Lorena Rd., Pence Dr., Possum’s End, Rabbit Hill Rd., River View Dr., and Summer Harvest Dr. of the need to boil their water prior to consumption (e.g., washing hands/face, brushing teeth, drinking, etc). Children, seniors, and persons with weakened immune systems are particularly vulnerable to harmful bacteria, and all affected customers should follow these directions.

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking, and making ice should be boiled and cooled prior to use for drinking water or human consumption. The water should be brought to a vigorous, rolling boil and then boiled for two minutes. In lieu of boiling, you may purchase bottled water or obtain water from another suitable source for drinking water or human consumption.

When it is no longer necessary to boil the water, water system officials will issue a notice rescinding this boil water notice. The rescinding notice will be issued in the same manner as this notice.

If you have questions concerning this matter, please call 299-CITY (2489).
