Statewide Birth Certificate Computer System Upgrade

(December 20, 2018) The Texas Department of State Health Services will upgrade the Texas Electronic Register, the statewide computer system for issuing birth records, from December 28th – December 31st, 2018.

Due to this upgrade, the Waco-McLennan County Public Health District will be unable to issue birth certificates for individuals **born in Texas and outside the city limits of Waco** until January 1, 2019. Individuals will need to contact the city or county of birth to obtain a birth certificate. This upgrade will not affect death certificates and birth certificates for people born in Waco.
