This Friday night, December 6th, the Waco City Cable Channel will broadcast the flipping of the big switch to light the giant 35 foot Christmas tree “live” marking the start of the big Waco Wonderland weekend. In addition to seeing city officials light the tree, viewers will be able to see the skies light up with the big fireworks display as part of Waco Wonderland.

It all starts Friday night at 7 p.m. and can be seen LIVE on the Waco City Cable Channel (available on Grande and Spectrum cable networks on Ch. 10), our live stream at [wccc.tv](http://wccc.tv), Roku and other video platforms.

Just another way we want to share the excitement of the events in downtown Waco.
