Waco-McLennan County Emergency Operations Center Coordinating Media Releases

With the activation of the Waco-McLennan County office of Emergency Management (EOC), one of the function is to provide a collective release of information gathered throughout the Waco-McLennan County area. Therefore beginning today at 3 p.m. we will send out a press release that includes:

- The latest information from the Waco-McLennan County Public Health District including the latest COVID-19 case counts and other health related information,
- Information from other agencies including hospitals and medical facilities,
- Any other information related to the functions covered under Disaster Declarations in effect for both the City of Waco and McLennan County.

These releases may not contain information for all McLennan County government or other operations. Part of the function of the EOC is to help assure that information presented to the public is accurate and correct. Media or anyone needing verification of information can call the EOC at 750-5911.
