RIBBON CUTTING TO MARK COMPLETION OF KENDRICK PARK MAKEOVER

WACO, TEXAS (March 5, 2019) – The City of Waco Parks and Recreation Department will host a ribbon cutting ceremony at 1 p.m. on Tuesday, March 5th to celebrate the re-opening of Kendrick Park following a \$500k improvement project at the site.

The neighborhood park is located at 4011 Bagby Avenue and sits across the street from Kendrick Elementary School. Construction at the site began last year, and the project was completed in two phases. New park amenities include a more accessible playground, splash pad and an additional 1/5 mile of paved walking trail.

Park renovations were funded through a federal grant from the Department of Housing and Urban Development.
