RIBBON CUTTING TO MARK COMPLETION OF TRAIL BLAZER PARK UPGRADES

WACO, TEXAS (April 5, 2021) The City of Waco Parks and Recreation Department will host a ribbon cutting ceremony at 11 a.m. on Thursday, April 8 to celebrate the re-opening of Trail Blazer Park, following a \$640k improvement project at the site.

The 11-acre neighborhood park, located at 1101 Harris Creek Road, opened in 2013 as the primary trailhead for the Cotton Belt Trail. Neighborhood growth surrounding the park has since expanded, demonstrating the increased need for neighborhood park amenities to serve a wider range of families and uses.

New park amenities include a pavilion, water fountain, trail lighting, seating, soccer goals, a nine-hole family disc golf course, a shaded playground with enhanced accessibility and access improvements with connectivity to Stageline Drive. Additionally, a bicycle repair station was donated earlier this year by Bicycle World.

Park renovations were funded through the City of Waco's Capital Improvement Program.
