135 New Cases of COVID-19 Have Been Confirmed as of this Update.
The Total Number of Cases to Date is 4,571.
There are 1,789 Estimated Active Cases.
2,731 Estimated Cases Have Recovered.

(August 3, 2020) The Waco-McLennan County Public Health District has confirmed 135 new cases of COVID-19. The total number of cases is 4,571, which includes 1,789 estimated active cases, 2,731 estimated recovered, and 51 deaths.

115 of the new cases are from the mobile testing sites held last week. 1,870 tests were conducted over a 4-day period. There are 322 test results pending, but they may not all be from McLennan County. The Health District will only receive results for McLennan County residents and will report them as they are received.

Sixty-four cases are hospitalized. Of the 64 hospitalized, 50 cases are McLennan County residents. This information is being provided to inform residents about the use of local hospital resources. Fifteen cases are on ventilators.
