

# Free Bus Rides

for all Waco ISD students

## WACO TRANSIT SYSTEM

RIDE ANYWHERE • RIDE FOR FREE • RIDE ANYTIME

Any Waco ISD student can ride the Waco Transit System fixed route buses at no cost to the student and in the same manner as the general public.

All fixed route buses can be tracked in real-time at [ridewaco.com](http://ridewaco.com) or by downloading the free Ride Systems app on your smartphone. Once you have downloaded the app, select "Waco Transit" as your agency and find your route.

Students must present a valid, Waco ISD student ID card to the driver upon boarding the bus in order to receive free fare.

Students also have the option to purchase a Waco Transit Student ID card for \$5 from the Waco Transit dispatch office, located at 301 S. 8th Street.

To purchase a Waco Transit ID card, students must present paperwork documenting their attendance to a recognized Waco ISD school.

Waco Transit System offers free travel training upon request. Call (254) 750-1900 or (254) 750-1613 for more information or to schedule an appointment.

An informative "How to Ride the Bus" video series and list of FAQ is also located on the Waco Transit System website at [wacotransitsystem.com](http://wacotransitsystem.com).
