The following questions are intended to be a starting point for constructing the analysis project or data report. You will receive feedback and a timeline by a date specified above. When you have completed the tool, or if you if you need assistance with tool, please contact the Epidemiology Program, WacoEpi@wacotx.gov.

1. What is the question or questions you would like answered? Who is your target audience? (Please note specific question number or reference in Community Health Needs Assessment)

2. Is this data request specifically for a grant-funded program? Is there a deadline?

3. What is the data source(s), if known? Over what time period of data collection analysis should be conducted (e.g. 2013-2016, 2016)?

4. What are the data elements needed, if known? (e.g.: gender, age, race/ethnicity, city or zip codes, etc.) Please list elements needed with the selected question.

5. What is your preferred date of completion of this request? Is there a date this data or analysis will be used in a presentation, grant proposal, or publication?

6. In what format would you like to receive the data or analysis?
   - Excel spreadsheet
   - Report/ Document
   - Power Point Presentation
   - Other, please specify ________________________________
