HANGING BUTTERFLY MOBILE

YOU'LL NEED:

- Fishing line
- 3 butterfly patterns (above)
- Crayons, markers or colored pencils
- Construction paper and white paper
- Scissors, glue and push pin
- Thin wooden dowel

INSTRUCTIONS:

1. Glue each butterfly pattern to a piece of construction paper to make it sturdy. Color in the butterflies, then cut out the patterns.
2. Fold the butterfly so the colors face outward.
3. Use a push pin to make a hole in the top corner of each wing.
4. Thread the fishing line through the holes, and tie a knot to secure.
5. Attach each line to the dowel (hang one butterfly on each end and one in the middle). Your new mobile is now ready to display!
