LEAF RUBBING ART

YOU'LL NEED:

- Real leaves
- Paper (preferably thin or lightweight)
- Crayons or oil pastels

INSTRUCTIONS:

1. Collect leaves of various shapes and sizes.
2. Position a leaf with its bottom side facing up.
3. Place a sheet of paper over the leaf.
4. Rub the side of a crayon or an oil pastel gently on the section of paper covering the leaf. As you do this, you'll see the colored areas start to take the shape of the leaf. Continue until you've rubbed over the entire leaf.
5. Remove the leaf from under the paper, and enjoy your new art.

TIP:

- Overlap the leaf rubbings, and use different colors to create a colorful and stunning picture!
