YOU'LL NEED:

- Toilet paper rolls
- Balloons
- Scissors
- Colored markers
- Mini marshmallows

INSTRUCTIONS:

1. Use markers to color a design onto the toilet paper roll
2. Tie the open end of a balloon into a small knot
3. Cut a small hole in the top of the balloon
4. Stretch the balloon over one end of the toilet paper roll, and your marshmallow launcher is now ready
5. To play, drop a mini marshmallow or crumbled piece of paper into the open end of the roll. Pull the end of the balloon, then release and watch your marshmallows fly!

TIP:

- Make launchers for everyone in your family, and play a game to see who can launch their marshmallow the farthest
- If needed, use tape to secure the balloon to the toilet paper roll
