ATTACHMENT 1

- 1.) The City of Waco will only accept the Tnemec products listed in the project specifications for the 48" Transmission Line Recoating project. No alternative products will be accepted. However, the City will not require the contractor to submit a written statement from the coatings manufacturer stating the contractor is familiar with the materials specified. The contractor will still be required to provide 3 references, of which have obtained services or materials from the vendor in the last 24 months, with their bid.
