REPRESENTING ACHIEVEMENT IN
BIOSOLIDS MANAGEMENT AND ENVIRONMENT STEWARDSHIP

PLATINUM LEVEL AWARD

The Platinum Level recognizes that the organization has completed third party BMP verification audit and at least one third-party interim audit with a commitment to a regular schedule of third party interim audits and internal audits. To maintain platinum-level certification, the organization must complete interim audits (at least two third party interim audits between verification audits), must submit interim or internal audit reports to NBP annually, and complete another third party verification audit (or re-verification) after five years.

This organization,

City of Waco Water Utilities Services
Waco Metropolitan Area Regional Sewer
System (WMARSS)
Waco, TX

has successfully met the Platinum Level requirements for the

National Biosolids Partnership
Biosolids Management Program

that supports excellence in biosolids management practices, augments regulatory compliance obligations, environmental performance and provides meaningful opportunities for public participation.
