YOUR MONTHLY USAGE

Last Year

This Year

13 MONTH HISTORY - WATER

SPECIAL MESSAGE

Winter Quarter Averaging. Water consumption billed during November, December, January & February determines your max sewer charge for the following year (effective each year, on October 1). Instead of charging you a sewer rate for every gallon of water you use, the City of Waco uses what is known as Winter Averaging. This means that your sewer charges are capped, for the following year, by the average of your water consumption during the October-January winter months
